Charities must have read, agreed to, and must comply with the CrowdRise Terms and Conditions and these Official Rules and further agree that all decisions by Sponsor are final and binding in all matters related to this Challenge. Applicant must promise that he/she has authority to bind that charity and agree to the Official Rules (“You” and “Your”, “Entrant” and “Applicant” will refer to the charity). Charities are also called “charity teams”, “teams” and “organizations”. If you do not agree and do not have the authority to agree to them on behalf of your charity you may not register or participate. You must be age 18 or older at the time of entry. You may not be an employee of CrowdRise, Art Van Furniture, Inc. or their respective parents, affiliate companies, subsidiaries, agents, judges, advertising and promotion

agencies and anyone involved in the development or execution of the Challenge, as well as the immediate family (spouse, parents, siblings, and children and their respective spouses, regardless of where they live) and household members of each such employee, whether or not related.

In order to enter and participate in the Challenge, charities must also, at all times, meet the following eligibility qualifications: (a) a U.S.-based charitable organization (b) holding an exemption from tax under Section 501(c)(3) of the U.S. Internal Revenue Code of 1986, as amended and qualified as a public charity (c) with a legally registered account on CrowdRise and available for donation(s) via the CrowdRise website without any customization of the CrowdRise platform or donation process, (d) in good standing under all applicable federal and state laws. A charitable organization that does not meet requirement (b) may be eligible if it has a verifiable contractual relationship with a fiscal sponsor that meets requirements (a) – (d), and whose purpose is to collect and disburse the funds on behalf of the charitable organization during the Challenge on CrowdRise.com and additional cash grants. Prize Provider may distribute its prizes to the fiscal sponsor, unless, in its sole and absolute discretion decides otherwise. The following are all excluded: (i) organizations that practice discrimination by race, creed, color, gender, sexual orientation, age, or national origin; (ii) organizations that serve only their own memberships (such as those types of fraternal organizations, pageants, labor organizations or religious groups that do not provide services to persons who are not members (or relatives) of the particular group); and (iii) organizations affiliated with political parties, political candidates, lobbyist activities, political publications or political advertising. Without limiting the foregoing, Art Van Furniture, Inc. and CrowdRise reserve the right, in each of their respective and absolute discretion, to exclude any charity, fundraising team, fundraiser or participant they determine is inappropriate for any reason, or with or without cause, at any time. All donations made in connection with the Challenge are governed by the Challenge Rules. All charities' fundraising pages must display on the leaderboard and link to the Challenge event here: www.crowdrise.com/ArtVanCharityChallenge.

To participate in the Challenge and be eligible to win prizes, the charity must have a registered fundraising page in the Challenge by May 18, 2016 at 11:59:59pm ET on CrowdRise.com here: <https://www.crowdrise.com/ArtVanCharityChallenge> to which donations are made. The charities' fundraising pages must display the Art Van Charity Challenge branding as provided by Sponsor. A charity team may only brand their charity fundraising page differently if granted express, written permission by Sponsor. All donations made in connection with the Challenge are governed by the Challenge Rules. Any winners are Potential Winners and are subject to verification before a prize is awarded.

How to Apply:

Step One: Your application must have been submitted here: www.artvan.com/Furniture/Store/CharityChallengeDisplayView, and must have been received by Art Van Furniture, Inc. by March 15, 2016 at 11:59:59pm ET to be eligible to participate in the Challenge.

Step Two: CrowdRise will notify Charities that have been approved by Art Van Furniture, Inc. to participate in the Challenge within 10 business days (and no later than April 11, 2016) with the next steps.

Step Three: If approved, charities must agree that Sponsor and Administrator may register a fundraising page for your charity in the 2016 Art Van Charity Challenge on CrowdRise.com using the information provided by you in your application and using your logo and may include your charity in any public relations or promotional announcements, if any. They are not obligated to promote your charity but may do so.

1. **Restrictions:** The following restrictions govern the Challenge and charities and all participants agree that any determination by Administrator and Sponsor as to whether a donation complies with these restrictions and requirements shall be final and binding.

- a. The minimum donation is ten dollars (\$10).
- b. The maximum donation is ten thousand dollars per transaction (\$10,000). A donor may make multiple \$10,000 donations. However, these donations must adhere to all Challenge rules including (c) immediately below.
- c. No single donor (individual) may account for more than 75% of the total raised by a Charity team. If an individual accounts for more than 75% of the total raised, every donation made by that donor to that charity's team will not count for determination of the winners of the Grand Prizes in the Challenge.
- d. Donations must be made online on CrowdRise.com (the Website) to an Art Van Charity Challenge fundraising page via credit card and be fully processed through CrowdRise and a third party payment processor during the Challenge Period. Donations processed after the end of the Challenge period and donations made outside of the charity's Challenge fundraising page will not count and may not be transferred.
- e. "Offline donations" are not eligible and will not be counted for the Challenge. Offline donations are donations recorded on the Website, including, but not limited to, donations by cash, check and/or money order, but not processed online via credit card. Charities may be permitted to add "offline donations" to their own fundraising page but these donations will not count for purposes of determining the winner of the Challenge and these donations will not show on the leaderboard. (See Paragraph 4 for details about the "Leaderboard").
- f. A charity must receive online donations from at least twenty five (25) "unique donors" during the Challenge Period to be eligible to win a grand prize. A unique donor is defined as a donor that has entered billing information (name, address and email address) distinct from any other donor who makes a donation to the same charity.
- g. A charity may not donate to itself, either directly or through a proxy. The intention of this rule is to prohibit a charity from taking money from its own account(s) and donating to advance its standing in the Challenge and win prize(s), therefore getting a return on its investment.

2. **Additional Restrictions:** Charities agree that any determination by Administrator and Sponsors as to whether a charity or donation complies with these restrictions and requirements shall be final and binding. Charities agree that they are solely responsible for choosing their "benefiting charity", the US-based 501(c)3 organization with a Tax ID (EIN) to which the funds raised during the Challenge will be allocated, and thereby ensuring that the funds they raise benefits their charity. Two or more charities that are distinct and have unique EINs may not team up on one fundraising page in order to increase their odds in the Challenge without express permission of Sponsor. A single charity may have more than one fundraising page but those two pages will not be combined when determining the winners of the grand prizes or any promotion. Charities may not invite nonprofits or charitable organizations not accepted into the Challenge to join their team without express permission of Sponsors.

3. **Challenge Period and Donations:** The Challenge begins on May 18, 2016 at 12:00pm Eastern Time (ET) and ends on June 22, 2016 at 1:59:59pm ET ("Challenge Period"). Donors may donate online at any time during the Challenge Period. Donations are counted towards the Challenge after such donation has been successfully processed. Donations can take time to process and the only donations that count toward the Challenge are donations that are successfully processed before the end of the Challenge Period as determined by Sponsor in its sole discretion. The amount of donations listed on the Challenge leaderboard or on the scrolling list of donations on any particular charity team's fundraising page do not constitute the official donation results and are subject to confirmation by Administrator and Sponsor

before such donations are included in the final official Challenge leaderboard results.

4. **Leaderboard and Donation Scroll Box:** During the Challenge, CrowdRise will provide a Challenge leaderboard on its website's Challenge page here: <https://www.crowdrise.com/ArtVanCharityChallenge>. The leaderboard will track the amount of donations made to teams online via the CrowdRise platform during the Challenge Period. The leaderboard is provided to provide Challenge participants with a general idea of how much money they have raised online compared to other participants during the Challenge Period. CrowdRise also provides a donation scroll box on each fundraising page that provides the names of donors (or an anonymous notation) and the amounts donated. CrowdRise will make reasonable efforts to update and maintain the accuracy of the leaderboard and donation scroll box as a convenience to Challenge participants; Sponsor makes no representations, warranties or promises of any kind that the leaderboard or donation scroll boxes on CrowdRise.com or elsewhere will be updated on a real-time basis; will always be accurate; or represent the official standings, results or leaders of the Challenge at any time before, during or after the Promotion Period. The leaderboard, donation scroll lists and any similar lists tallying donations are unofficial tallies of the amounts of donations in a campaign and may not accurately reflect the donations made based on a variety of factors. All Challenge participants expressly acknowledge and agree to these limitations; agree that they have no claim whatsoever against the Sponsor or the Prize Provider based upon information in either the leaderboard or donation scroll boxes; and that neither the leaderboard or the donation scroll represents official results of the Challenge until Sponsor verifies the winners and expressly announces the final results and winners.

5. **Grand Prize Challenge Grants:** Ten (10) Grand Prize Challenge Grants available to the 1st – 10th place winners of the Challenge. The winners are determined based on the amount of money that a charity team raises online to its Art Van Charity Challenge fundraising page during the Challenge Period. The charity team that raises the most amount of money online during the Challenge Period wins the first place Challenge Grant; the second most amount of money online wins the second place Challenge Grant; the third most amount of money online wins the third place Challenge Grant; the fourth most amount of money online wins the fourth place Challenge Grant; the fifth most amount of money online wins the fifth place Challenge Grant; the sixth most amount of money online wins the sixth place Challenge Grant; the seventh most amount of money online wins the seventh place Challenge Grant; the eighth most amount of money online wins the eighth place Challenge Grant; the ninth most amount of money online wins the ninth place Challenge Grant; the tenth most amount of money online wins the tenth place Challenge Grant

The first place Challenge Grant is a \$100,000 donation. The second place Challenge Grant is a \$50,000 donation. The third place Challenge Grant is a \$25,000 donation. The fourth place Challenge Grant is a \$15,000 donation. The fifth place Challenge Grant is a \$12,500 donation. The sixth place Challenge Grant is a \$10,000 donation. The seventh place Challenge Grant is a \$5,000 donation. The eighth place Challenge Grant is a \$4,000 donation. The ninth place Challenge Grant is a \$2,000 donation. The tenth place Challenge Grant is a \$1,500 donation.

The potential winners will be notified within seven (7) business days of the date that they are determined through email at the email address provided to CrowdRise upon registering a fundraising page in the Challenge. Email Us at ArtVanFurniture@CrowdRise.com to change your email address, add email addresses to receive Challenge communication or unsubscribe. Potential winners are not declared final and shall not receive a Challenge Grant until verified at the end of the Challenge by Sponsor. Additionally, Prize Provider' obligation to provide the Challenge Grants and prizes is contingent upon all recipients submitting an affidavit of eligibility and liability release and, where permitted, a publicity release, Letter of Determination and a Form W9. Additional releases and information, to the extent allowed by law, may also be required before a Challenge Grant can be awarded. Additionally, if potential winner cannot be contacted and Sponsor has not been contacted by potential winner at ArtVanFurniture@CrowdRise.com or mail (address in Paragraph 15) within seventy five (75) days after the Challenge has ended, is ineligible or if potential winner declines the Challenge Grant and any prize(s), the potential winner forfeits the

Challenge Grant and any other prizes it has won in their entirety. One new potential winner may be selected, at Prize Provider's final discretion. Charities agree that Prize Provider's determinations regarding verification and eligibility shall be final and binding. The Challenge Grants and any other prizes will be delivered by Prize Provider to the winners within approximately seventy-five (75) days after the receipt of forms. Taxes and fees, if any, are the sole responsibility of winner.

6. Determination of Winners: The ten (10) charities that raise the first greatest, second greatest, third greatest, fourth greatest, fifth greatest, sixth greatest, seventh greatest, eighth greatest, ninth greatest, and tenth greatest amounts of money online on its Challenge fundraising page during the Challenge Period are the Potential Winners of the Challenge. A Potential Winner must be still eligible to participate and win, be in compliance with the Official Rules, CrowdRise Terms and Conditions and the law, and return all the requested paperwork in the stated timeline. They must adhere to any additional requirements of Sponsor and/or Prize Provider, to the extent permitted by law. Once these requirements are met, the Potential Winner(s) are declared the Official 1st- 10th Place winners of the Challenge and will be awarded the grand prizes described in Paragraph 7. In the event of a tie, there may be more than ten winners; a tie will be determined as follows:

A. If two charities raise the identical amount of the most money during the Challenge (tied for first place), the charities will equally split the total of the 1st and 2nd Place Challenge Grants. In such case, the charities to raise the next greatest amount of money during the Challenge period would receive the 3rd Place Challenge Grant.

B. If ten or more charities raise the identical amount of the most money during the Challenge, the charities will equally split the total of the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th Place Challenge Grants. In such case, there will be no separate 1st – 10th Place Challenge Grants. The total amount of awarded Grand Prize Challenge Grants will never exceed \$225,000 regardless of how many charities may tie.

C. If two or more charities raise the identical amount for 2nd place, the charities will equally split the total of the 2nd and 3rd Place Challenge Grants. If two or more charities raise the identical amount for 3rd place, the charities will equally split the total of the 3rd and 4th Place Challenge Grants. If two or more charities raise the identical amount for 4th place, the charities will equally split the total of the 4th and 5th Place Challenge Grants. If two or more charities raise the identical amount for 5th place, the charities will equally split the total of the 5th and 6th Place Challenge Grants. If two or more charities raise the identical amount for 6th place, the charities will equally split the total of the 6th and 7th Place Challenge Grants. If two or more charities raise the identical amount for 7th place, the charities will equally split the total of the 7th and 8th Place Challenge Grants. If two or more charities raise the identical amount for 8th place, the charities will equally split the total of the 8th and 9th Place Challenge Grants. If two or more charities raise the identical amount for 9th place, the charities will equally split the total of the 9th and 10th Place Challenge Grants.

D. If there is a tie among two or more charities for 10th Place in the Challenge, the 10th Place Challenge Grant will be split equally between those that tied.

Charities agree that all decisions regarding tiebreakers, including decisions not expressly stated herein, are within the sole discretion of Prize Provider and its decisions shall be final and binding.

The amount raised by a charity is equal to the gross amount of bona fide donations generated for that charity online in connection with the Challenge during the Challenge Period. For example, if Charity A raises \$100,000 and no charity raises more than that, Charity A would win the First Place Challenge Grant so long as Charity A is in compliance with the Challenge Rules. Any donations made outside the Challenge fundraising page and/or not in compliance with these Official Rules are not included the amount considered for award of the Challenge Grants.

All amounts and donations are subject to verification by Administrator and Prize Provider, who each have absolute and sole respective discretion to determine whether a donation qualifies under the Challenge Rules. The decisions of Administrator and Prize Provider are final and binding. This includes Bonus Challenge grants and any other prizes awarded by Prize Provider during the Challenge Period. Bonus Challenge grants will not count towards the total raised by a Challenge fundraising team for purposes of determining the winners. For example, if a charity team wins a Bonus Challenge Grant of \$5,000 for its charity during the Challenge Period for raising the most amount of money in one week, that \$5,000 will not count towards the total raised for purposes of determining the winners of this Challenge.

10. Pricing: There are no upfront costs to apply for, enter the Challenge and win. It is free to register a fundraising page on <https://www.crowdrise.com/ArtVanCharityChallenge>. Charities will receive a communication from CrowdRise of their effective rate and their Guarantee Payment, if applicable, at the end of the Challenge.
